発表者	_____
内容	
関連画像	 A photograph showing three individuals standing in front of a presentation board at a conference. On the left is a woman with glasses and a dark jacket. In the center is a man in a dark suit and light-colored tie. On the right is a woman with long dark hair in a dark jacket. The presentation board behind them has the number '39' in the top left corner and contains text in both Japanese and English. The Japanese text includes '遊離脂肪酸のイメージング質量分析を用いた可視化手法の検討' and 'Combination of Desorption Methods for Free Fatty Acids using Imaging Mass Spectrometry'. The English text lists authors: 'Masahito Ueda, Yusaku Kato, and Shinya Kuroki' and their affiliations: 'Department of Chemistry and Engineering, Tokyo University, Japan' and 'Department of Chemistry, Alma Mater Catholic University of Indonesia, Indonesia'. The board also includes a 'Keywords' section with terms like 'MALDI-TOF MS', 'free fatty acids', and 'imaging mass spectrometry'.
