情報システム概要

The diagram illustrates the information system workflow. It features a central desktop computer icon. To its left is a smartphone displaying a timer at 00:00. A yellow arrow points from the smartphone to the desktop computer, with the text '情報は、すぐセンターに送信される' (Information is sent to the center immediately). To the right of the desktop computer is another smartphone displaying the time 9:42. A green arrow points from the desktop computer to this smartphone, with the text '一部の参加者には毎日定刻に、メールを送信' (Daily scheduled emails are sent to some participants). Below the 9:42 smartphone is a yellow speech bubble containing the text '継続アフローチ' (Continued A-florochi). To the left of the 9:42 smartphone is a man in a suit walking. A green arrow points from the man to the 9:42 smartphone, with the text '自転車や徒歩で移動する際に、ボタンをクリック' (Click the button when moving by bicycle or on foot). At the bottom of the 9:42 smartphone is the text 'キャリアメールを使うことで、メール受信をポップアップ通知' (By using carrier email, email reception is notified via pop-up).
