

バイオサイエンス学科 学会発表

学会名	
演題名	Analysis of Tissue-reunion Process in Incised Tissue of Plants.
発表者	<u>Masashi Asahina</u> <u>Keita Matsuoka</u> [1], <u>Emi Yumoto</u> [1], <u>Kyomi Shibata</u> [1], <u>Takao Yokota</u> [1], <u>Hisakazu Yamane</u> [1], <u>Shinobu Satoh</u> [2]. [
内容	
関連画像	 A photograph showing a large, mature tree with dense, brown autumn foliage. The tree is the central focus, set against a clear blue sky. In the background, there are several multi-story buildings, likely part of a university campus, and other trees with varying degrees of autumn color. The ground appears to be a mix of grass and some snow or light-colored pavement. A small, light-colored rectangular object is visible on the tree's branches.
